

Total deaths

Country broken down by Year (discrete). Color shows details about Region. Size shows sum of Neonatal Deaths. The marks are labeled by Country. The data is filtered on Income group, which keeps multiple members. The view is filtered on Year (discrete), Region and Country. The Year (discrete) filter keeps 13 members. The Region filter keeps Latin America & Caribbean. The Country filter keeps no members.

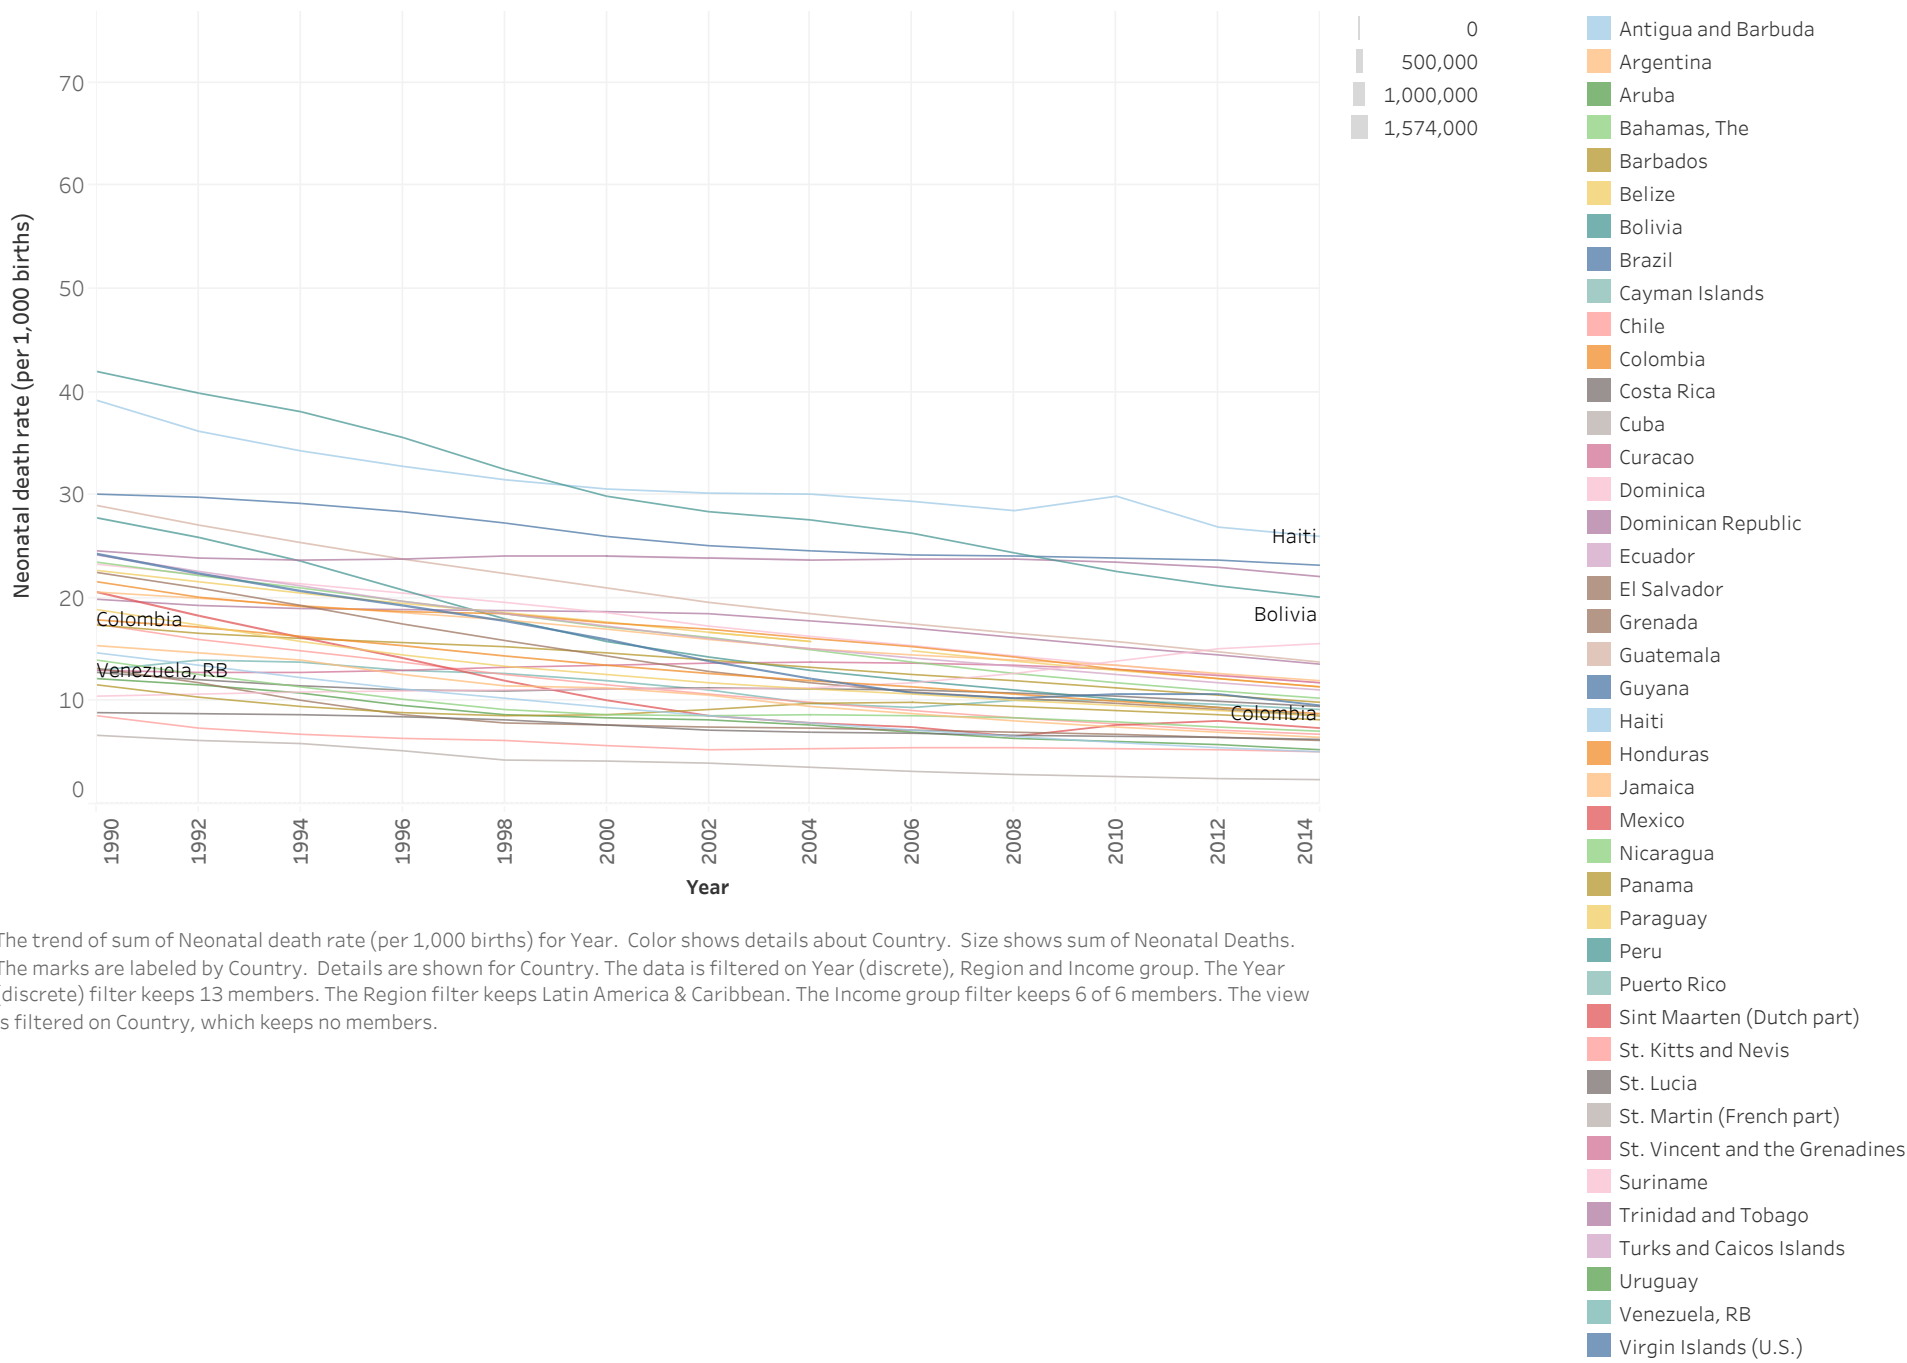

Map Legend

© 2023 Mapbox © OpenStreetMap

Map based on Longitude (generated) and Latitude (generated). Color shows details about Country. Details are shown for Country. The data is filtered on Inclusions (Country,Region), which keeps 1 member. The view is filtered on Country, which keeps Colombia and Venezuela, RB.

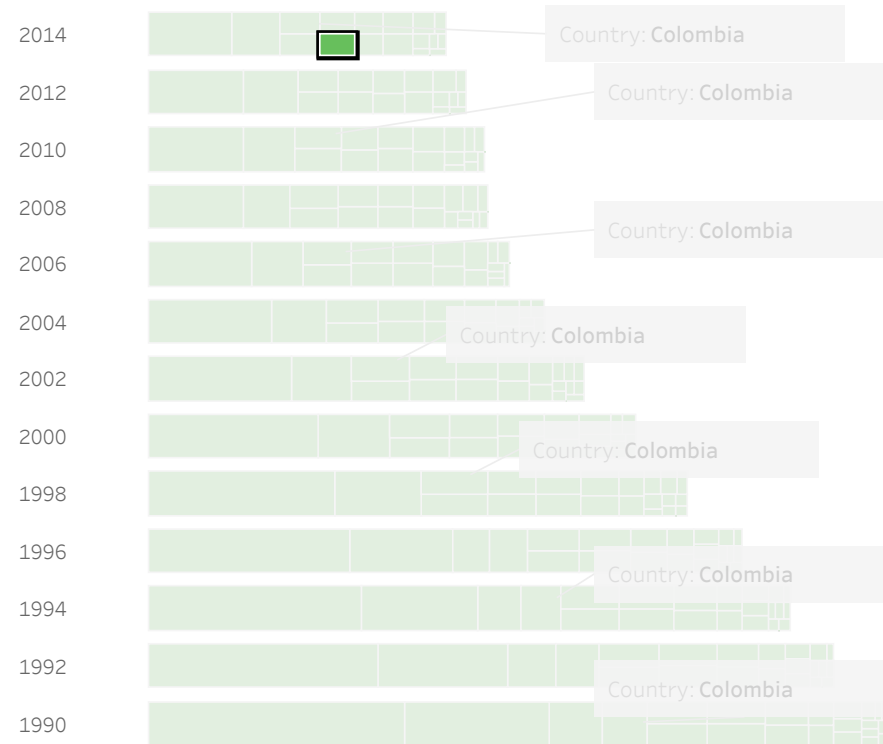

Death rates

Saving the Children

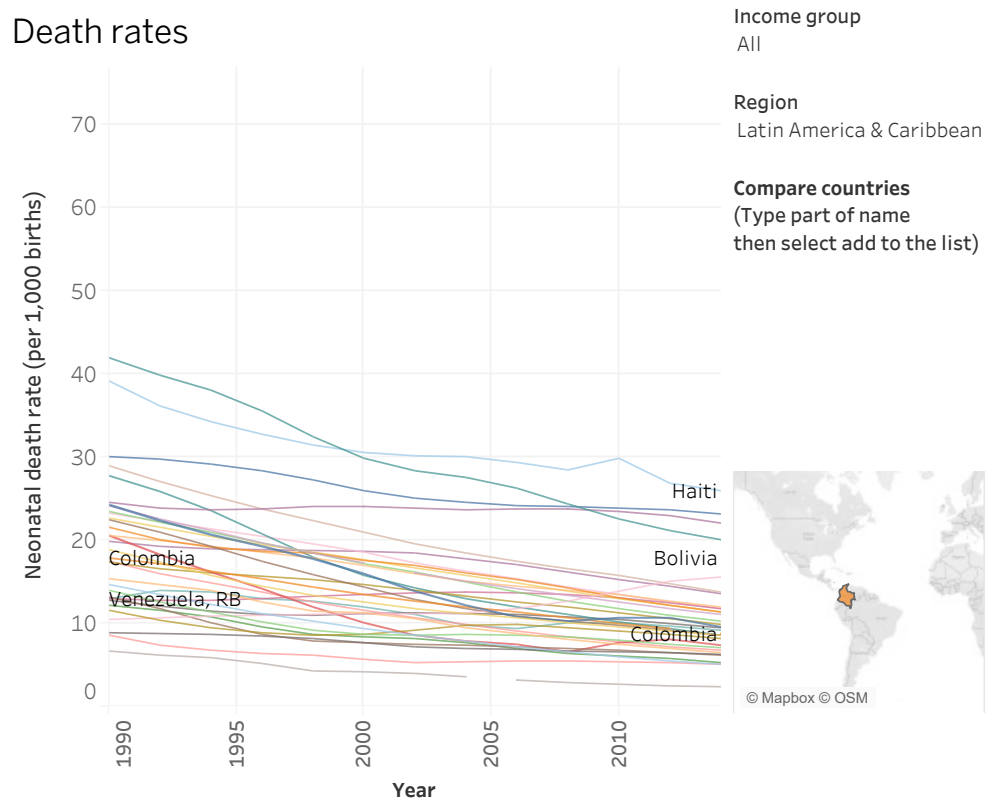

Most countries are reducing deaths in the first 28 days of life.
